Teachers and other staff may also write “GOTCHA” tickets for students when students perform a random act of kindness, improve their behavior or grades or any other act in which the teacher feels the student is deserving of a ticket.

Five winners are drawn from each class and they receive rewards that Mrs. Jennifer Martin has procured throughout the semester.

Our next drawing will also include one semester prizewinner from each class. Our “big” prize for 1st semester will probably be an iPod Shuffle.
